
GILES'
LIQUIMENT IODIDE OF AMMONIUM
A MESSAGE TO THE SUFFERING

When a remedy is the product of such a firm, which will not rest until it has been proven to be truly to make it known to the world, as possible. This consideration has not only been borne in mind, but has been brought before the public in the most effective manner.

The remarkable success which has effected a cure in the most important and various cases of the disease, and the relief of the suffering, is a result of the firm's policy of not resting until it has been proven to be truly to make it known to the world, as possible.
